SUMMARY

A rare opportunity to acquire a tranquil parcel of permanent pasture with two equestrian buildings, within the South Downs National Park. The land and buildings have been used by the owner for equestrian purposes for many years but could suit a range of alternative uses, subject to planning permission.

Overall, the property extends to approximately 9.73 acres (3.94 ha), including the buildings.

SITUATION

The buildings are situated in an idyllic spot with far reaching views to the east and south across open countryside. The buildings and pasture are located on the outskirts of the village of Steep, at the foot of the Ashford Hangers, and within 2.6 miles of the market town of Petersfield with the Cathedral city of Winchester 19 miles distant to the west.

The transport links are excellent with the A3 and A272 in close proximity as well as direct rail access into central London from Petersfield Station in just over an hour. Southampton airport is approximately 29 miles from the building and provides domestic and international flights.

THE BUILDINGS

The property benefits from two buildings, previously used for stabling and storage space.

The first building is constructed of a steel portal frame, clad with corrugated sheet roofing and sides with timber doors, extending to approximately 974.79 ft² (90.56 m²).

The second building is constructed of concrete blocks, clad with corrugated sheet roofing and sides, and divided into four separate cubicles, overall extending to approximately 823.90 ft² (76.54 m²).
